

Metropolitan Chicago synod
The African American Strategy Team Report for 2007

Mission Statement:

In keeping with the Great Commission, we faithfully commit ourselves to: Reaching,
Teaching,
And making Disciples for Jesus Christ.

The Metropolitan Chicago Synod's African American strategy team comes of many years struggle and a desire to be faithful to God. We meet on a monthly basis to address the issues, challenges, joys and the needs of the African American community in our Synod. We asset the Bishop and Staff as they make decisions concerning the present and future of ministry on our territory , and we work diligently to implement the strategy. This is a living breathing document, a work in process.

Accomplishments:

Grow for Jesus campaign
South Conference Martin Luther King Day Celebration
Ministry reviews
Revivals
Lutheran Night at the DuSable Museum
Stewardship training event

Future Events

In addition to continuing the events from last year,
Leadership events:
Stewardship
Evangelism
Come, See and Discover

We look forward to more participation by our churches and members.

Thank you for your past participation, please continue to pray for the success of the team.

Respectfully submitted,
Rev. Beverly L. Conway, Convener
